21. When we set out to find a new idea, or answer to a problem we must assume that the answer exist already somewhere - and set out to find it.

22. Creative Mechanism Goes to Work

↳ if you really mean business, have an intense desire, & begin to think intensely about all angles of problem
it connects all the dots in stored info.

23. Creative Mech has stored info in universal mind.

24. BASIC PRINCIPLE OF HOW SUCCESS MECHANISM OPERATES

a) your built in success mech must have a goal or target & this goal must be ~~some~~ conceived as "already in existence now". It operates by either i) steering you to a goal already in existence or ii) "discovering" something already in existence.

b) The automatic mechanism must be oriented to "end results" goals. Do not be discouraged because the "means whereby" may not be apparent.

It's the fine of automatic mech to supply the means whereby when you supply the goal.

Think in terms of the end result & the means often will take care of themselves.

25. Demanding a how before a goal is established → X

After you've formed a mental img of the goal you seek to create, the HOW will come to you - not before.

REMAIN CALM & RELAXED & Answers will arrive.

Any attempt to force the ideas to come will not work.

26. Creative Mech → you must let it work rather than make it work, its nature to operate spontaneously acc to the ~~needs~~ present needs.

Hello everyone! Thank you so much for having me ^{today} ~~here~~. Today we guys are gonna talk about something called "AI-powered fashion stylist". Imagine having a terrible dressing sense and which btw most of us already possess and you're up to something or to some place where your reputation mainly depends on how the way you dress! & being a terrible senseless dressing sense creature, you don't know what to do, what to wear or how to wear!

What if I told you there can be a personal ^{selⁿ of} sys^t stylist which exists, lives pretty nearby you & can help you to look sensible & fashionable.

A perfect example is right over here

27. You must not wait to act until you have proof - you must act as if it is there, & it'll come through.
DO THE THINGS & YOU'LL HAVE POWER.

28. Don't be afraid of making mistakes or of temporary failures. All ~~success~~ ~~mech~~ servo-mech achieve a goal by -ve feed back, or by going fwd, making mistakes & immediately correcting course.

29. Imagination: first key to Your Success Mechanism

we use it either constructively or destructively. The key is becoming aware.

30. Nervous system can't tell imagined or real experience, it reacts appropriately to what you think or imagine to be true

31. The plain truth → when a subject is convinced that he's deaf, he behaves as if he's deaf when he's convinced that he is insensitive to pain, he can undergo surgery w/o anesthesia.

32. You act & feel → accⁿ to img you hold in mind
you've a certain mental img of yourself, your world & people around you → you behave as if these img^{as true} were the truth, the reality rather than the things they represent.

241. Learning ability is about as good at 70 as it is at 17
242. Dont place limitations on Life.
243. if you attach a definite date to the goal, you
may actually slog much & cause a jam. You only need to
conceive yourself that you could & would achieve the goal.
244. Play around with the process & have fun with it.
245. Everything in life is a mental picture. Every goal you're
begins as a picture in your mind. Anything you don't like
about yourself & your life can be changed by changing ur
mental picture. NEVER forget : even forgiveness is a mental
picture.
