

THE COURAGE TO BE DISLIKED (THE FIRST NIGHT)

1. The world → not complicated → we make it.
 ↳ will appear simple → if you change. ↳ because of our subjective view
2. Past Causes X → Present Goals ✓
3. Your life is not something someone gave you, but something you chose yourself. → you are the one who decides how you live
4. Person's Psychic wounds → Traumas → cause → present unhappiness
5. No experience → success } we make of them what we want → suits our purpose
 ↳ failure
6. We are not determined by our experience → but the meaning → we gave them is self-determining.
7. We determine our own life → accⁿ to the meaning → we give to those past experiences
8. Someone's Present → determined by what meaning is → attributed from past
9. We can't go back to past → if you're bonded by Past → you'll never find happiness.
10. 'People are not driven by past causes, but move towards goals that they themselves set'.
11. You & I & everyone can change → first step KNOWING } people can change at anytime, regardless of their environment.
12. You're not really happy → bcz you're trying to become Y → and throw away who you're now
 ↳ bcz you're focused on what you were born with → not what you can do from it.

13. At some stage in life → we chose → as you judged 'being unhappy' to be good for you.
14. Lifestyle → how one sees the world + how one sees himself.
↳ something that → You choose for yourself.
15. You're unable to change → bcz you're making persistent decision → not to change your life style.
16. PAST IS NOT THE ISSUE, BUT HERE, THE PRESENT IS.
↳ what you do with it here → Your responsibility
17. Unhappiness → can't be blamed on emotion. or your past → You need courage to be Happy!
18. YOUR LIFE IS DECIDED HERE & NOW. → your life is determined here in this exact point.
↳ One will have to change.
↳ what you should do now is → decision to stop your current → Life style.
- ↳ No matter what has happened to your life until now → it should not have any bearing on how you live from now on.

THE SECOND NIGHT

You notice → only you → bcz you're resolved to not
shortcoming start liking yourself.
↓

2. You're afraid of → being disliked by people
→ getting hurt in your interpersonal relationship
↓
(its impossible) to not get hurt & you'll hurt
someone too.

3. ALL PROBLEMS ARE INTERPERSONAL RELATIONSHIP
PROBLEM: → Loneliness → being excluded from comm or society.

→ feeling of inferiority → sort of meaning attributed.
everyone has → one's value judgement of oneself.

→ We can't alter objective facts → but → subjective interpretations can be altered.

→ inferiority complex X
↳ condⁿ when feeling of inferiority → becomes excuse.
↓
noting wrong → trigger for

4. PURSUIT OF SUPERIORITY
↳ mindset of taking single step on one's own feet ✓
↳ X mindset of competition → which aims to be greater than
other people.

5. LIFE IS NOT A COMPETITION

↳ its enough → keep moving in the → w/o competing with
fwd dirⁿ anyone.

↳ healthy feeling of → one's comparison } other people are
inferiority with oneself. } different from us.

↳ When one is trying to be oneself → competition will get in the
way!

↳ progress with only Past - Self!

6. Competition → never have a moment's peace X

↳ makes everyone enemies

7. YOU'RE THE ONLY ONE WORRYING ABOUT YOUR APPEARANCE → people don't even notice

8. If you can't celebrate other people's happiness → you think interpersonal relationship as competition → you perceive their happiness as your own defeat.

9. Interpersonal relationship trap → no matter how much you think you're right → they not to criticize other party on that basis

10. • Admitting Mistakes

• words of Apology

• stepping down of power struggle

→ NOT DEFEATS

equal personalities

↓
2 people can live together.

11. more friends → more bitter (X) ⇒ think of distance & depth

12. It's not what one is born with → but what use one makes of that equipment

THE THIRD NIGHT

1. Deny the desire for Recognition → makes you unfree.
2. if one perceive / take appropriate action → one receives praise!
↳ if non-app → punishment.
3. We are not living to → satisfy other people's expectations.
4. When one seeks recognition from others → concerns oneself with how one is judged by others → in the end one is living other person's life.
5. SEPERATION OF TASK
↳ one should never intrude on others people task.
↳ Discard other people's task.
↳ all inter personal relationship problem are caused by this.
Learn to bound yourself with "From here on, that is not my task."
or else → life will be → full of hardship & worries.
6. All you can do with regard to your own life → choose the best path → that you believe in.
7. What kinda judgement do other people pass → Task of other people → not a matter you can do anything about.
8. You're worried about other people looking at you
• You're worried about other people being judging you } → That is why you're constantly craving recognition from other.
9. What other people think when they see your face —
↳ That is task of other people.
↳ not something you're any control over.

10. Think → "What I should do is face my own task in my own life, without lying".
11. first → one should ask → 'whose task is this?' → don't interfere with other people's task → also don't let them interfere.
12. Destiny → by clearing away with your own sword → not brought by legal.
13. One should have an appropriate dist → in interpersonal relation.
14. No Matter what sort of appeal the other person make → you are the only one who decides what you should do.
15. REAL FREEDOM → is being disliked by other people.
 discard other people's judgement.
 don't be afraid!
16. One should make efforts to lead horse to water → but whether he drinks or not is that person's task.
17. Many people think → interp. relati. cards are held by other people → that's why they wonder → 'How does that person feel about me?'
 They notice that they are holding all the cards
 but if they grasp separation of tasks
 and they end up living in such a way as to satisfy other people's wishes.
18. When one is tied in to desire of recognition → the interp. relati. cards will always stay → in hands of other people.

THE FOURTH NIGHT

separating task → defining boundary → 'I am I, you are you'

2. goal of interpersonal relations → 'Community feeling'
3. Interpersonal relations → source of happiness & source of unhappiness
4. Self centered lifestyle → one is constantly troubled by how one is seen by others
5. Sense of belongingness → basic human desire
 ↖ All of us are searching for ('its okay to be here')
 ↘ Something, which one acquires through one's own efforts
6. ALL OF US BELONGS TO MULTIPLE COMMUNITIES
 ↳ People are never truly alone → or separate from them → & cannot be
7. 'Listen to the voice of larger community' → when we run into diff in our inter rel.
 ↳ encouragement → Harizi Relationship
8. One must not praise, and one must not rebuke.
9. "When one praises another, the goal is 'to manipulate someone who has less ability than you'". → Its not done out of gratitude or respect
10. Vertical Relationship
 ↳ when someone → wishes to be praised by someone & converse
11. "The more one is praised by another person, the more one forms the belief that one has no ability."
12. Giving Praise → judgement as 'good' → X → build Harizi Rel. → gratitude, respect, joy
13. True sense of one's worth (self) → 'I'm beneficial to the community' → I can make contribution to other people

14. We need to build horizontal relationships → judge other people is → vertical.
15. Thinking of oneself on level of acts X → accept oneself on level of being ✓
16. (Age) → doesn't matter → in love & friendship.
- Task of friendship → requires → steady courage.
28. Life is ...

THE FIFTH NIGHT

to place unconditional accepting ones
irreparable 'this me' just as it is.

NOT SELF AFFIRMATION - SELF ACCEPTANCE

making suggestion to oneself
'I can do it.'

How should I go about
getting closer to 100%?

God grant me the serenity to
accept the things I cannot change,
courage to change the thing I can,
and wisdom always to tell the
difference.

★ Have confidence in others unconditionally

Horizontal relation

- 2. → self acceptance
- confidence in others
- contribution to others

3. We don't lack ability
↓
we just lack courage.

4. Basis of interpersonal relationship

- Trust X
- Confidence ✓

5. You think → Having confidence in others unconditionally → you'll be → other person's task.
advantage of

6. If you're afraid → of having → you'll never build deep relationship with anyone.

7. WE ARE ASPIRING TO SEE OTHERS AS OUR COMRADES

8. To feel → its okay to be here → one has to. → one needs → self accept.
→ conf in others

9. We are truly aware of our own self worth → only when we feel our existence & behavior → are beneficial to the community

10. Contribution to others → sacrifice the self! when one feels 'g'm of use to someone'

11. Labour → NOT means of earning money but
↓
by this → truly feels → 'g'm of use of someone'

12. Essence of work → contributions to other.

13. Confidence in others → To place unconditional confidence at the base of one's interpersonal relations, rather than seeding doubts.

14. OBJECTIVE OF LIFE → Community feeling.
with

15. 2 Objectives of behaviour
- To be self reliant: 'I have the ability'
 - Harmony with society: People are my comrades.
16. 10 people → 1 will no matter ~~both~~ criticize you
(this person will come to dislike you).
- ↓
- 7 → neither. → 2 will accept everything about you (close friends)
17. Person who lacks harmony → only 1 person → will make judgment of world from that
he dislikes
- ↳ he will focus on only → end up thinking → everyone is laughing at me.
18. Not just having job → WORK → all manner of other things.
19. GREATEST UNHAPPINESS: not being able to like oneself.
20. HAPPINESS → feeling of contribution
- True → if for recognition → one will go with other people's accolade.
- ↳ one's has no need of → acknowledged by others.
21. COURAGE TO BE NORMAL ≠ incapable
22. LIFE IS A SERIES OF MOMENTS CALLED 'NOW'
- ↳ we can live only in here & now.
 - ↳ only life only exists in moments.
 - ↳ if life was line → life planning was possible.
 - ↳ well planned life → impossible
23. Those who → dances the dance of violin → becomes professional musician
24. if 1 finds fulfillment in here & now → one is dancing.
25. with dance → dancing is the goal → no one is concerned somewhere by about arriving → doing it.
- ↳ Naturally → one will arrive somewhere → as a result.
26. If one's destination is to become X → it's best to get there as quickly & efficiently as one can.
27. SHINE A LIGHT ON THE HERE AND NOW → The past doesn't exist and it has no meaning.

28. Life is a series of moments → neither the past nor future exist.
29. if you live here earnestly now, you'll well not be concerned with
30. Being up (past here & now → LIFE LIE.
Life style) is about here & now → that lies ahead of you → blank
31. I really want to do this but → I'll do it when the time comes X
NOT LIVING EARNESTLY here & NOW ↗
32. if → then its ok to not have objectives → life is always simple & there's no need to get too serious.
33. (greatest LIFE lie) → not living here & now
34. Experience of Hardship → opportunity to look ahead & think
"What can I do from now on?"
35. Life in general → has no meaning
↳ but you can assign meaning to that life. } You're the only one who can assign meaning to your life
36. If I change → The world will change, No one else will change → the world for me.
37. when you decide here & now in earnest & full → that is when meaning of your life → will become clear to you.
38. NO one knows how they'll feel in 10 years.
39. YOU SHOULD START. with no regrets, others are cooperative or not.
40. World is simple & life is too.
41. People can change & be happy from this moment onwards.
42. The problem is not one of ability, but of courage.
