

THE ALCHEMIST

13/8/23

Objective → A tale on following your dream.

PRINCIPLE 1

- what we always wanted → is out there → waiting for us → perhaps the very next day.
- Secret of Life → fall 7 times → to → get up 8 times.
- defeats → not necessary or necessary → but they happens.
- Everyone has a clear idea → on how others should lead their life → but none aloud his or her own.
- world's greatest lie → at some pt in life we forget / lose control → over things happening to us → our life controls by fate.

PRINCIPLE 2

- When you want something → all the universe conspires you to achieve that.
- people are capable at any time in their life → of doing what they dreamed of.
- Everything in life → has its price.
- Learn to recognize omens & follow them.
- if you start out promising what you don't have
↓
you'll lose your desire to work towards it.

PRINCIPLE 3

- every blessing ignored → becomes a curse.
- when you can't go back → you only have to worry about → The best way to move forward.
- If you can always concentrate at the present → you'll be a happy man.
- Life → the moment we're living on.
- To do anything successfully → no fear of failure ✓
- Always move towards omens.
- There is only one way to learn → through Actions.
- Listen to your heart → it knows all things.
- fear of suffering → worst than → suffering itself
- Most people see → world as → threatening place → to them it turns to be a threatening place.

PRINCIPLE 4

- one who interferes → with destiny of → never will discover his
other thing own.
- only 1 thing → that makes dream impossible to → fear of failure
achieve
- everything that happens once → can never occur again → but everything that happens twice → will surely happen for third time.
- You're going to experience beginners' luck → when → you're really close to what
↓
God meant you to be here.
