

Life is short And so is this Book

1. Most productive people → say no to all unimp things → focus on what they believe matters.
2. Focusing on what matters → means → saying no to things that don't matter.
3. Most Creative People -
 - ① Incredibly well prepared in their field (masters of their domain) → Practicing for years.
 - ② Spend time deeply focused on solving a key prob, no matter the obstacle.
 - ③ Allow themselves to step away from prob, so that insights come to 'em.
4. Try not to obsess with past → but to learn from it
5. When you can't sleep → Get up & do something instead of lying there worrying!
6. 2 Buckets 
 - one something I can do about
 - I can't do about → IGNORE
7. Sometimes, the most imp thing is to do is to not do anything really dumb.

8. 4 Basic Principles

- ① DO what you think is right.
- ② Don't follow other people blindly.
- ③ Be honest & keep your words.
- ④ Admit your mistake.

9. The people with whom we associate have a huge impact on the development of our personality.

10. REAL FRIENDS - people you trust, respect, laugh with and can rely on - are a vital imp part of life!

11. No matter how much wealth or fame you accumulate
↓
If you don't have true friends it's unlikely you'll be happy.

12. Lack of Activity → destroy good condⁿ of every human being.

13. Exercise regularly → • live longer & happier
• productive & stress free
• creative ↑

↓
The extra time
invested has been
worth it.

→ eat dinner as early as possible
↓
keeps healthy weight.

14. Sleep well → Energy ↑ + able to think clearly ↑

15. We're fools whether we dance or not → so we might dance as well.
16. You can choose → to let all the things go wrong in life → DEPRESS YOU
 ↓
 OR
 you can accept that things ^{will} go wrong, try to laugh and then look at → what you can do!
17. A SENSE OF HUMOUR → useful → when you make mistakes
18. Try to laugh in the (even) amidst terrible times.
19. You can always choose to be happy if you want. → even in middle of some pretty awful circumstances.
20. Fear of death follows the fear of life. A man who lives fully is prepared to die at anytime.
21. Live as if you're going to die in 10 yrs & had no immediate financial needs.
22. To figure out what you want → you need to know yourself ↓
23. Acknowledging what you genuinely want

24. Always better to start doing what you love early in life.

25. Possible to reinvent your career at any pt in life.

26. People who work primarily to impress other people.
↓
are unhappy / unfulfilled → regardless of how externally 'successful' they may seem.

27. YOU WANT A JOB YOU'D DO EVEN IF YOU WEREN'T PAID TO DO IT.

↓
if you get paid to do what you perceive as play, you have a great play.

28. focus on your present situation & your future goals
↓
those who live in past tend to be unhappy.

↓
"No matter how significant your past accomplishments may be, they won't keep you satisfied".

29. "Love & work are the corner stones of our humanness."

↓
You'll be happy if → you have close friendship + you love your work.

30. CHANGE WILL HAPPEN WHETHER YOU LIKE IT OR NOT.

31. We tend to hate change, we prefer to know what will happen.

32. "When 1 door closes, another door opens, but we so often look so long & so regretfully upon the closed door, that we do not see the one which open for us".

33. If you embrace inevitable change, you'll be ahead.

34. Change is inevitable → key → learn how to manage it.
↓
comes slowly → it's a hard thing to accept & people may resist it actively or passively.

35. If you are 1 of those few who try to learn every day → it makes a huge difference over long period of time.

36. If you want to learn from experience
↓
BE CURIOUS → makes life more interesting.

↓
Kids naturally are curious → they learn & progress very rapidly.

37. READ WIDELY. There is so much wisdom written down & it's easier & less painful to learn from others' mistakes.

READ AS MUCH AS YOU CAN.

38. There's certainly a lot to be gained from watching & listening (we have 1 month)

39. History doesn't repeat → but it rhymes.

40. Life is not a math prob → with perfect soln

↓

EVEN IF YOU MAKE WISE DECISIONS THROUGHOUT YOUR LIFE, YOU'LL INEVITABLY MAKE MISTAKES.

41. The harder & the more innovative things you try to accomplish → more likely you're to fail.

↓

when decision, ideas, new project → don't work out.

↓

TRY TO LEARN & BE OPEN MINNED.

42. You need to be willing to try things you think make sense, then to admit your mistake.

43. "I'm a great believer of luck, & I find the harder I work, the more I have of it."

44. Success require following elements :-

- A clear stretch goal
- if goal → easy → it won't feel like an ^{achievement} ~~achievement~~
 - ↳ if it's unrealistic → you'll never do the work
- Love for what you're doing
- Very Hard Work, often over a long period of time.

45. People don't tend to achieve things in great leap forward
↓ rather

we make progress : 1 step at a time, usually with small insights here or there.

46.

TO MAKE CHANGES IN YOUR LIFE, focus on taking small steps in right direction.

↓

YOU CAN'T WIN OVERNIGHT.

↓

YOU CAN'T BECOME GREAT AT ANYTHING WITHOUT A LOT OF REPEATED PRACTICE.

47. Be sure that you're COMFORTABLE with taking small steps, then BUILD upon them.

48. Set the Bar High → enough that achieving your goals will mean something to you
↓
IN LONG TERM.

You should ensure that your goals are at least broadly realistic.

49. if the field you enter is growing, your odds of success will be higher.

50. Picking the right partner - someone you respect, with whom you laugh, communicate & collaborate well - can make a huge difference in quality of your life.

51. KNOW YOURSELF - To be happy → you need to pay attention

and how you feel ← what you want? ← to who you're

VS

↳ staying busy just doing stuff or doing what other want / except you to do.

52. PAY ATTENTION TO → how you feel
→ what you like / want.
(OBSERVE) → what makes you feel:

53. w/o willingness to open up

↓

You won't understand yourself

↓

won't find true happiness

- sad
- angry
- fearful
- confused.

54. Stretch your perceptive leg :-

- ① with diverse experience
- ② lots of reading.
- ③ honest self reflection on failure
- ④ and some thinking.

55. It's imp to slow down, at times to notice, what is going around you.

56. FOCUS → imp, bcz time is limited & you can't do everything.

57. Even if you have no major issues in your life.
↓
Eventually you will.

↓
The Way to succeed amidst obstacles is to not give up.

58. To be happy → it's imp to be connected to other human beings → whom you care about & who in turn care about you.

59. You need to use your Judgement to figure out what's right for you at a given time in your life.

60. Try Your Hardest → to make the most of your life
↓

when something funny happens, when you make mistake, or even when bad things happen
↓

it's easier, if you can laugh about yourself and the world.
